KILLED IN BRAWL

Austrians Engaged in Quarrel and Death Results

DENIES KNOWLEDGE OF CRIME

Steve Nicksch Killed and Two others Dangerously Wounded in a Drunken Fight in Seattle Saloon—Assailant Captured in Upper Room.

SEATTLE, Oct. 24.—In a fight in an Australian saloon here last night, Steve Nicksch was instantly killed and John Golar and Joseph Millar were dangerously wounded. Nat Zolac, who is charged with doing the shooting, is under arrest. The men had been drinking and a quarrel ensued. During the altercation one man drew a revolver and fired four shots at his adversaries. Nicksch was shot through the mouth, dying instantly. Golar was shot through the right shoulder and through the head. One bullet passed through Millar's chin, coming out at the base of the left ear. Zolac, who is held for the crime, was found in a room over the saloon an hour after the fight. He had a splash of blood on his wrist and appeared to be frightened. He denied all knowledge of the affair.

When the caboose passed the camp H. H. Heidinger, a brakeman, and John Weige, a cattleman of Sacramento, were fired at. Both were shot through the leg above the knee.

Five hobos were arrested and are in jail here. No weapons were found on them. Refusal of trainman to let them

ride is the supposed cause of the shooting. Heidinger was taken to the Portland hospital. Weige is not seriously hurt. He was shipping a car of horses. More arrests will be made. The hobos had not been put off the train, but sought revenge on the crew as the train was leaving town. Sheriff McClellan and his deputies got five of the gang, but the others escaped. The guilty one is supposed to be one of those who escaped.

LETTER AVERTS STRIKE.

Denver, Oct. 23.—R. H. Skeggs' letter to president H. B. Perham, of the Order of railroad telegraphers, which averted a strike of the Denver & Rio Grande Railroad telegraphers, was in part, as follows: "Since being discharged by the Denver & Rio Grande, 30 days ago, after having given them the best part of my life for the past nine years and seeing by their action how much they appreciate an employed who has given them the best he had, I have decided that I could not afford to waste any more of my time in their employ. The State of Colorado offers far too many opportunities for a young man for me to go back to them, and I have fully made up my mind to enter other business. I think I am justified in asking you to withdraw the case. In calling this strike it would work a hardship on the Denver & Rio Grande and would paralyze the business in this state. Please withdraw the case, and thank the boys for their manly stand they have taken in the matter."

FASTER TIME FROM EAST.

CHICAGO, Oct. 24.—The Chicago-Kansas city and the Chicago-Denver passenger train schedules are to be cut. Announcement of this was made yesterday by the Alton and Burlington officials and while the other roads have not announced their connections they probably will be forced to adopt the same schedule. This is in reality the resumption of former schedules which were lengthened last June. The present schedule to Kansas City is 14 hours and to Denver 32 hours. The new schedule will be 13 hours to Kansas City and 30 hours to Denver. Both Alton and Burlington officials assert have lost business since the longer schedule was adopted. The principal competition was from the California trains of the Santa Fe and the Rock Island.

DISCUSS EXCLUSION

Mayor Law of New York Endorses Roosevelt.

OPPOSES LABOR OF COOLIES

Does Not Wish to Bar Students and Great Men of China But Believes Pacific Coast Should be Kept Free of Asiatics.

CHICAGO, Oct. 24.—Immigration with special reference to the Chinese exclusion act was discussed by former Mayor Seth Low of New York in an address before the Chicago Association of commerce. Mr. Low endorsed the so-called "Roosevelt policy of excluding from this country only the class of Chinese known as coolies."

"I am in favor of the purpose, but not the form of the Chinese exclusion act," said Mr. Low. "President Roosevelt is right in his policy of opposition to the slavlike labor of coolies in this free country. It is an insult to an old wise and proud race such as the Chinese to exclude their students and great men from our shores. I am in sympathy with the great object of the Chinese exclusion act to keep the Pacific Coast free from the numerical preponderance of an Asiatic people. There never was a matter of public policy in the which the 'undesirable citizen' should be enforced to the limit, as is the immigration question. Degenerates and people of low morals are the most undesirable classes of immigrants but there should be no educational tests. Physical fiber and stamina should be the chief qualities required."

Mothers with little children need no longer fear croup, colds or whooping cough. Bees Laxative Cough Syrup tastes good. It works off the cold through the bowels, clears the head. Guaranteed. Sold by Frank Hart's Drug store.

Quincy, Sprains and Swellings Cured.

"In November, 1901, I caught cold and had the quincy. My throat was swollen so I could hardly breathe. I applied Chamberlain's Pain Balm and it gave me relief in a short time. In two days I was all right," says Mrs. L. Cousins, Otterburn, Mich. Chamberlain's Pain Balm is a liniment and is especially valuable for sprains and swellings. For sale by Frank Hart and Leading Drug-gists.

In most cases consumption results from a neglected or improperly treated cold. Foley's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the unknown preparations and you should insist upon having the genuine in the yellow package. T. F. Laurin, Owl Drug Store.
